## Subject: REACH 1907/2006 regulation

Dear Customer,

Lika Electronic intends to adhere to the REACH 1907/2006 regulation concerning the registration, evaluation, authorization and restriction of chemical substances in order to reduce their harmful effects on human health and the environment.

The company declares to be aware of its duties with reference to the regulation and not to produce or import products containing these substances nor import articles which intentionally release such substances contemplated in the REACH application field. Therefore Lika will not proceed with the pre-registration and registration of substances contained in the articles produced or sold and the notification to ECHA as the requirements of the article 7, paragraph 2 are not fulfilled.

In order to meet the requirement of communication with the whole supply chain Lika is in contact with:

- the suppliers, to get information about their REACH obligations and consequent actions;
- the customers to ensure continuity in product supply and exchange of information where necessary.

Based on safety-data-sheets of substances in use and to the state of the our better knowledge, Lika can confirm that no article contains any substance mentioned on the list published by the Agency on October 28th 2008.

Nevertheless Lika will continue to monitor the implementation of REACH regulation and the further developments of the list of substances in Annex XIV and undertake all actions that will be necessary.
